(236cm x 594cm)

In less than 30 seconds, you have easy access to a covered swim spa that protects you against the weather and ultraviolet radiation, while providing you with a luxurious vibe.

Many Benefits

1

Fully Automated

Less effort, more comfort. Fully automated, it elevates and lowers using a key to eliminate any handling effort.

4

Intimacy

The optional retractable shades give a pleasant feeling of intimacy and protect against the elements.

2

2 in 1

COVANA combines the benefits of a gazebo and a hot tub cover in just one innovative product, allowing you to make the most of your spa in all seasons.

5

Energy Saving

Water-tight seal minimizes water evaporation therefore saving water, energy and maintenance products costs. Moreover, its above-industry standard insulation value makes it the most efficient cover on the market.

3

Safety

The COVANA safely locks, fully covers and secures your hot tub, allowing full control of who accesses the spa.

6

Durability

The COVANA cover will last as long as your spa, thanks to its aluminium structure, its rigid, seamless ABS thermoplastic hardtop or high efficiency fibre reinforced XPS core thermal element.

7

Innovative Design

Our products give you the flexibility to transform your outdoor space. When open, they will complement your backyard; when closed, they will not obstruct your garden view.

10

Elegant

Luxurious, modern, quiet, COVANA is the perfect addition to the hot tub of your dreams.

8

Universal

The COVANA products are compatible with most brands and sizes of hot tubs. Everything is intended to make your life easier.

9

Sturdy

Durable, built-to-last design protects against both hot and cold harsh weather as well as harmful ultraviolet radiation.

A PROTECTION THAT YOU WILL WANT TO USE AGAIN AND AGAIN

The manufacturing process and the choice of materials lend COVANA products exceptional quality, performance and durability.

Less effort, more comfort for a longer time: a promise signed COVANA
